Publication

Submitted papers will be peer reviewed by conference committees, and accepted papers after registration and presentation will be published into the following journals based on their topics:

International Journal of Computer Theory and Engineering (IJCTE), which will be indexed by Scopus, CNKI, Google Scholar, Ulrich's Periodicals Directory, Crossref, ProQuest, EBSCO, and INSPEC. Journal of Software (JSW), which will be indexed by DBLP, EBSCO, Inspec, CNKI, etc. .

If you're NOT expecting any publication of your paper, it's acceptable to submit just your abstract to the conference for oral presentation, which will be sent to at least two technical committees for a brief review.

Submission Guidelines

Prospective authors are invited to submit high-quality manuscripts written in English. The submission of a paper implies that the paper is original and has not been submitted to elsewhere for possible publication. All submissions will be peer-reviewed by experts in the field based on originality, significance, quality and clarity.

Please submit your full paper/abstract via Microsoft Submission System using the following link:
